

Senior Cyril Gray Competition
Saturday 27th June 2015 Worplesdon Golf Club.

This event is open to teams comprising one foursomes pair whose combined age is more than 140 years, with neither competitor being less 65 years of age, on 27th June 2015. The competition will be 18 holes scratch foursomes stableford against bogey (not par), played off forward tees.

The event will again be played immediately following the semi-finals of the main event and the plate, from 10:00am on the Saturday. The Club has been very generous in offering the course and lunch so that the entry fee, including lunch will be only £40.00 per player (£80 per school team).

Your Committee hope very much that following lunch competitors will enjoy being part of the gallery for the closing holes of the final matches of the main tournament.

The prize giving for the Senior Cyril Gray will take place immediately following that for the main tournament.
