

CYRIL GRAY TOURNAMENT 2019

Rules

1. Teams

Teams consist of three pairs in which each player is more than 50 years old by the first day of the tournament.

Each team match is to be played out until two pairs have won two matches. Halved matches have to be played out until one team has two wins.

If a team of six players cannot be raised for either the main event or the plate the school concedes the round.

2. Pairings

Team Captains (or, if not present, another member of the team) must hand their pairings in order of play to the Committee Member in the Entrance Hall of the Clubhouse at least half an hour before their match is due to commence.

In the event that details of a team's complete pairings are not handed to the Committee Member in the Entrance Hall of the Clubhouse half an hour before their match is due to commence the Committee Member on duty will, at their discretion, determine the pairings.

3. Team Captains

Although there is no objection to teams having non-playing Captains if so desired, the Committee have decided that advice may only be given to a player by their partner or their caddies.

4. Buggies

Powered "ride on" buggies (as distinct from powered trollies) may not be used in any circumstances.

5. Distance measuring devices

The use of distance measuring devices is permitted in accordance with a local rule that will be posted in the Clubhouse.
